Texas
United States Patent
and Trademark Office

BACKGROUND

Jessica is an experienced IP attorney with a broad technical background in both the physical and life sciences. She is experienced in all phases of patent portfolio management with particular expertise in the assessment of patent portfolio strengths and weaknesses, technology transactions, and patent disputes within the pharmaceutical industry. Jessica received an M.S. in Biology from Massachusetts Institute of Technology in 2006, and a B.S. in Physics from University of Utah in 2002. She received her J.D. from Harvard Law School in 2010.

HONORS AND AWARDS

- Listed in *The Best Lawyers in America*®, 2025-2026

EXPERIENCE

Prior to joining Seed IP, Jessica served as an attorney at two large law firms in Texas, where she assisted on IP matters with a special focus on life sciences and the pharmaceutical industry. She has significant experience with intellectual property due diligence and technology transactions. Jessica is experienced in all areas of patent litigation, in particular Hatch-Waxman litigation. Her experience ranges from discovery through claim construction and trial in district courts, as well as in proceedings before the ITC, the Federal Circuit, and the Patent Trial and Appeal Board.

AFFILIATIONS

Jessica is admitted to the Texas State Bar, and is registered to practice before the United States Patent and Trademark Office. She is a member of the Washington State Patent Law Association (WSPLA) and Life Science Washington.
