

U.S. Patent Workshop

August 16-21, 2026

Brief Overview:

Seed IP's U.S. Patent Workshop 2026 is geared toward IP professionals actively engaged in U.S. patent prosecution, licensing, or litigation who wish to sharpen their patent drafting, prosecution, and enforcement skills. The core workshop will be presented entirely in English but **will also include a Daily Review and Q&A Session presented in Japanese, Korean, and Chinese.**

This workshop is open to current Seed IP clients, non-clients, patent attorneys/agents, and foreign associates—all are welcome to attend. It will be a full week of learning and fun activities!

Course Syllabus*:

August 17 | Patent Law Fundamental Study 1-2; First Office Action Response Strategy 1-2; Review/Q&A

August 18 | Patent Law Fundamental Study 3-4; First Office Action Response Strategy 3-4

August 19 | Patent Law Fundamental Study 5-6; Final OA Strategy;
Chem/Bio Drafting Prosecution Strategy

August 20 | CS/EE Drafting Prosecution Strategy; Litigation/IPR; Claim Charting/Evidence of Use;
AI Protection Strategy

*The week-long course will include in-depth sessions on: Strategies for overcoming §101, §102, and §103 rejections; Best practices for examiner interviews and after-final responses; Continuation, divisional, and RCE strategies; Aligning foreign-origin applications with U.S. requirements; and Case studies, interactive panels, and networking opportunities. This will be a great opportunity not only to sharpen your knowledge of U.S. practice but also to connect with other international professionals and our U.S. team in a collaborative and engaging setting.
